We Believe

*that God the Creator values nothing higher than freedom, dignity,
and individuality of His intelligent creation, that their love and
faithfulness may be freely given.*

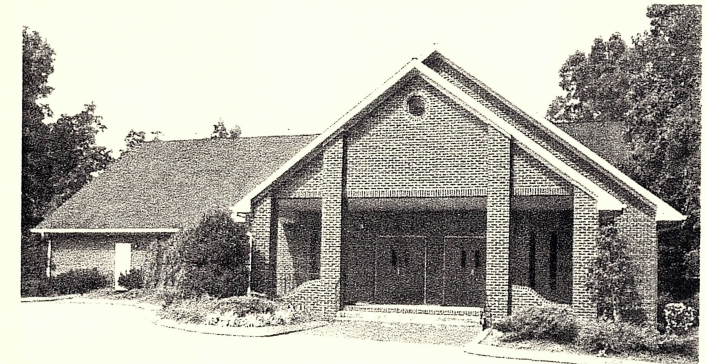

*that this truth is revealed through all the books of the Bible, and we
desire to allow the grace of God to shape our lives after these values,
especially as revealed in the life of Jesus Christ.*

*in respect for God's law of love and liberty, and recognize our
helplessness apart from Christ, and we gratefully accept the gift of his
salvation. The heart of that law calls our attention to the gift of His
salvation. The heart of that law calls our attention to the Sabbath, a
God-given memorial of creation and redemption. In it we find a
time to pause in special worship with Him.*

*that Humanity's lethal experiment with sin has brought with it
degeneration and death, but we are grateful that the wing of death has
been softened by our loving God, who permit those who die to sleep,
awaiting the resurrection. God will recreate the earth, and no race of
sin or pain will be found.*

*that even now Jesus ministers from heaven the benefits of salvation
purchased with His own blood. This continual ministry of love will be
fulfilled when Jesus comes to take His children home. In the
meantime we desire to meet the needs of others, not only spiritually but
physically, mentally, and emotionally as well.*

Open Our Eyes

Open our eyes, Lord, we want to see Jesus,
To reach out and touch him, and say that we love Him,
Open our ears, Lord, and help us to listen,
Open our eyes, Lord, we want to see Jesus,
Open our hearts Lord, To fill with your Spirit,
To guide and instruct us, and say that you love us,
Open our hands, Lord, to show your compassion,
To love one another, as sister and brother.
