Lakeview/Hiram Church Mission Trip 2013: Pastor Matthew and Mariesa would like to talk their church families on a 2-3 week overseas mission trip during the summer of 2013. We will be doing some sort of building project in conjunction with medical/dental missionary work. This project will also include a VBS in the afternoons and an evangelistic series in the evenings. The destination will most likely be in the Caribbean Islands or Latin America. All ages are eligible to participate, but we are especially encouraging youth to be a part of this life-changing experience. If you are interested in going, please sign-up on the sheet on the bulletin board in the church foyer or call or email Pastor Matthew at 423-310-2780 or MatthewTinkhamJr@gmail.com.

The Cradle Roll/Beginner room is missing two items :

1. Heritage Singers cd - "Heaven is for Kids"
2. A large green songbook - "Songs for Tiny Tots"

If you mistakenly picked up either of these items - we need both for our weekly children's program - please return these supplies.

The Cradle Roll/Beginner department is looking for donations of small quiet toys to be made available for quiet play in the Training Room.

From Family Life Ministry: "Each couple needs to remember that it was God who brought you together and God who will keep you together. Marriage is not easy, even for the strongest of couples, but when you take the time to remember God each and every day, your marriage will stay strong. Strong Christian couples always take the time to pray and worship together. Believe it or not, praying together will help you better understand your spouse's inner thoughts and feelings. This, in turn, will help keep the lines of communication open. Communication is one of the most important things in a marriage. At the end of a very busy day, take just a few moments to hold each other's hands and pray together. A strong marriage does take time and work. It doesn't happen by itself. To love is a choice, not an option and when you remember why you married your spouse and how God brought you together, you will have a stronger marriage."
