## 1st Dynamic Night

Thursday, Sept. 8 – 7:00 p.m.

### How to Know the Future

The most remarkable dream ever recorded in all of history occurred one night over 2,600 years ago in the kingdom of Babylon. God gave a dream to the ancient monarch that outlines for us the world's history until the end of time. Come and learn what the future holds for you.

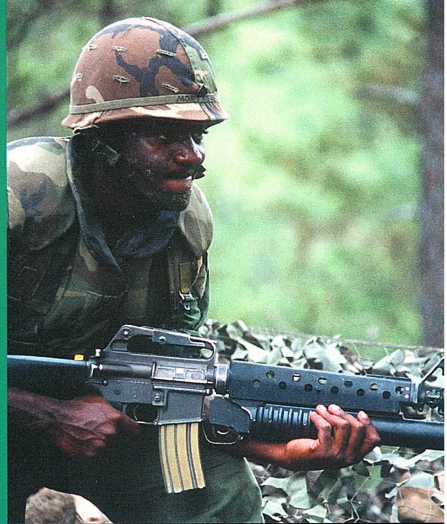

## 2nd Dynamic Night

Friday, Sept. 9 – 7:00 p.m.

### Signs You Can't Ignore

For many of us - maybe most of us - life isn't easy. It is so hard sometimes that we may find ourselves often wishing the world would end! Surely life wasn't made to be so full of pain and hunger and weariness and stress. We want a better world!

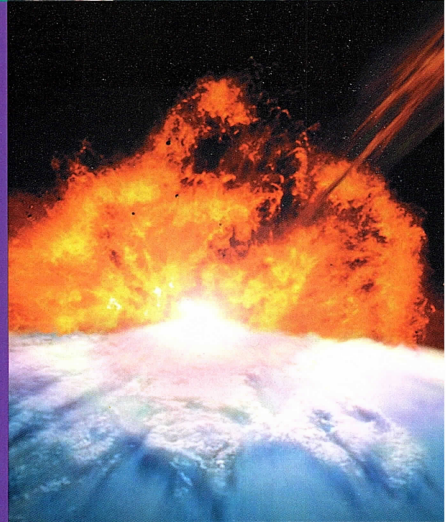

## 3rd Dynamic Night

Saturday, Sept. 10 – 7:00 p.m.

### The Great Escape

The Bible prophesied exactly how the world will end. The good news is that the human race is not going to die out because of war or starvation or even by colliding with another object in space. Instead, the Bible says the world will end with the triumphant return of Jesus Christ to this earth!

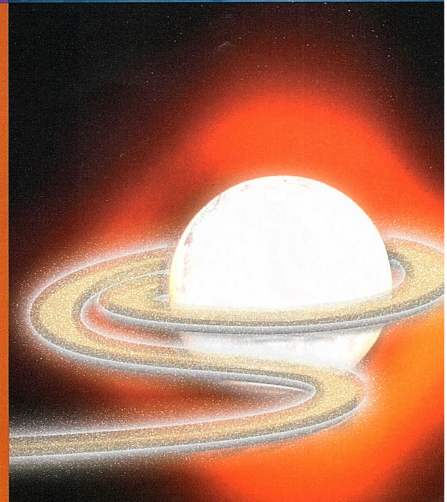

## 4th Dynamic Night

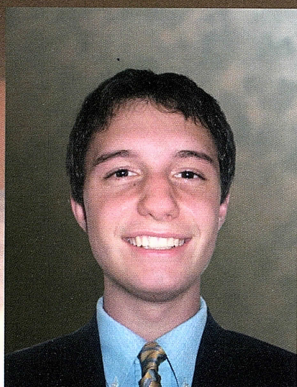

Sunday, Sept. 11 – 7:00 p.m.

### By Chance or Design?

Are we the descendants of apes, or the sons and daughters of a Creator? Who is in charge: Mother Nature or Father God? Blind chance, or purposeful creation, which is it? The mystery of origins forever solved. Come and see!
